Helpful Packing Tips

Pack With Your Child

Packing with your child is a great way to build excitement about camp and also a great way to talk through any worries or anxieties your child may have about their time away at camp. In addition, it gives you the opportunity to make sure that they pack everything they need to bring, and leave at home the stuff that should stay at home. It also helps the child to know where in their bag or suitcase all of their items are located.

Send A Checklist For Your Child To Help Them On Saturday Morning

You can use the same checklist that you used when you packed. Pack the checklist in your child's luggage and instruct them to use it when they pack up to come home. This will help your child leave with everything they came with.

What To Pack Your Stuff In

Pack your stuff in something that won't open during the trip to the cabins. A duffel bag, suitcase, or footlocker is fine. Pillows, bedding, and sleeping bags do great in large plastic trash bags (make sure you put a label on the trash bag so that we know who it belongs to).

Label Everything You Can

Put your child's first and last name on everything you can using a permanent marker. Be sure to label your child's luggage. If your child loses something (and they usually do) it will turn up in Lost and Found. Having a name on the item makes it much simpler to return it to your child.

Pack Appropriate Attire For Camp

Pack clothing that is comfortable in hot SC weather, suitable for outdoor games, and can get wet and/or dirty without being ruined. Please pack one "nice" outfit for our Friday Night Banquet (nothing too nice of course, this IS camp). Campers should not pack clothing that promotes alcohol, tobacco, drug use, sexual behavior, or contains inappropriate language. As a private organization, Bethel expects a high standard of conduct and dress. Please, no spaghetti straps, bare mid-riffs, or improper slogans. Shorts should be modest (not too tight, too high, or too low), and bathing suits should be one piece and modest. We reserve the right to ask campers to change improper clothing.

About Swimsuits

We require that female staff and campers wear modest one-piece suits while at camp, and that male staff and campers wear swim trunks or board shorts. Campers may wear t-shirts in the lake if they desire to do so.

Medications

All medications (prescription, non-prescription, and over-the-counter) remain with and are dispensed by Bethel Health Care Staff. Please pack ALL camper medications separately from your luggage so that you will be able to turn them in during Check in.
