RULES AND REGS

We are excited to have you join us for a Parent / Child weekend at Bethel. We know it will be a great time of fun and growth for you and your children. We also hope that you develop healthy relationships with your children, our staff, the other guests, and our Lord.

We strive to provide you with quality programs, facilities, and staff. During many of our scheduled activities, trained staff will provide supervision and leadership to keep the activity SAFE and FUN.

During your time at camp the supervision of your children is your responsibility. Please encourage them to abide by camp rules and boundaries. Please warn them of potential dangers and areas to avoid without supervision.

For the safety of everyone, please park vehicles at the Dining Hall at Check-in and enjoy walking as you explore our property.
